Soccer Academy

The Soccer Academy program (ages 6-14) is designed to take young players to the next level—real game experience. Soccer First will take individual registrations and create soccer teams based on age and experience. They'll play in competitive leagues but the focus will be on skill development, fun and learning. Teams for beginners will focus on learning the game and learning new skills. More experienced teams will focus on learning more advanced concepts. Let us know if you're looking for a team to play with or would like to stay with your current Academy Team. NOTE: U7-U10 will usually play Saturday morning; U11-U12 Sunday morning; U13-U14 Saturday evening. Times and dates will vary. The schedule will be created once registration period has ended.
